International Conference on Surface, Materials and Vacuum
ICSMV

MAZATLÁN, MEXICO
September 26th to 30th 2016
Hotel Playa Mazatlán

Symposia

• Ab-initio Calculations and Supercomputing
• Advanced and Multifunctional Ceramics
• Advanced Materials Synthesized by Chemical Routes
• Atomic Layer Deposition
• Biomaterials and Polymers
• Characterization and Metrology
• Luminescence Phenomena: Materials and Applications
• Microelectronics and MEMS
• Nanostructures
• Photothermal Phenomena, Plasma and Vacuum
• Renewable Energy: Solar Cells and Materials
• Semiconductors
• Thin Films
• Tribology
• Science Divulgation

Prizes

• Francisco Mejia Lira for scientific trajectory on the area of Surface and Materials Science.
• Intercovamex prize for Best Doctoral and Master Degree Thesis
• Best Conference Poster

Important Dates

• Abstract Submission Deadline: June 26th 2016
• Early Bird payment: August 31th 2016
• Student member grant application deadline: July 31th 2016
• Intercovamex prize deadline: August 31th 2016
• Francisco Mejia Lira deadline: August 31th 2016
